### PRODUCT UPDATE POLICY

\*\*Automatic Renewals: Select products identified with \*\* herein are eligible to automatically renew. By checking the Auto-Renewal box for any eligible product ordered herein, you acknowledge and agree that you are purchasing an automatic renewal subscription to the selected product(s) and that you understand that the subscription to the selected product(s) will automatically renew at the conclusion of your initial term for subsequent terms of one (1) year each, unless and until either party gives the other party written notice of termination before the end of the then-current term. Once a renewal term has commenced, it is non-cancellable. Subscription renewals will be invoiced based on the price in effect at the time of renewal, and the license fees are subject to increase over the previous year's term (plus shipping and handling, if applicable). If a renewal term has begun, requests to cancel will be effective at the end of the current subscription term. Your automatic renewal will include shipments of periodic updates, revised editions, and/or supplements. Notifications of your upcoming renewal term will be sent approximately ninety (90) days in advance of the renewal date.

+ New orders may be canceled within 30 days after purchase. Orders automatically renew prior to the subscription expiration and are non-cancellable after the start date of the renewal term. To cancel, provide written notice of termination before the start date of the renewal term.

Requests for subscription cancellations or product returns may be made by calling +1 800 431 9025.
